

## Mansion of love

Buhl Mansion Guesthouse and Spa in Sharon, Pa., is a winner of the 2008 "Top 10 Romantic Inns" award from iLoveInns.com.

American Historic Inns, Inc., publisher of more than 2.7 million bed & breakfast guidebooks, and companion Web site iLoveInns.com selected winners based on attributes such as their scenic settings, interior beauty, sense of place, hospitality and overall romantic mystique.

"Buhl Mansion was literally built on romance. Steel baron Frank Buhl built this Romanesque castle in 1896 as a wedding present for his wife, Julia," says general manager Laura Ackley. A century later, Jim and Donna Winner restored the grand landmark — which is listed on the National Register of Historic Places — and they have operated a luxury bed and breakfast and a world-class spa there for 10 years.
