

Experience The Buhl Mansion Guesthouse and Spa

One of America's most luxurious Bed and Breakfasts, Buhl Mansion Guesthouse and Spa, offers the ultimate in luxury, pampering and unsurpassed hospitality. Listed on the National Register of Historic Places, this circa 1890s Romanesque mansion is steeped in history and romance.

This opulent castle, once the home of Frank Buhl was built as a gift for his beloved wife Julia. One hundred years after the mansion's completion, current owners Jim and Donna Winner saved it from the wrecking ball in 1996 after it had succumbed to abuse and neglect.

Lovingly restored, this majestic home now offers grand memories of a lifetime as guests experience the life of royalty in this castle's lavishly appointed guestrooms and world-class spa.

"Exceed Expectations" is the motto of the Buhl Mansion staff. "Our entire team is blessed with the gift of Hospitality," says General Manager, Laura Ackley. "We aim to anticipate guest's needs and 'wow' them with service. From their arrival guests are pampered with genuine warmth as we cater to their every whim. We greet guests with a glass of champagne, valet park their cars, provide bell service, and a personalized tour of the mansion." Every Castle Escape Package includes a complimentary bottle of champagne, a welcome tray complete with fresh fruit, cheese and crackers, afternoon tea and a champagne and hors d'oeuvre reception. Guests also are provided turndown service each evening and a delicious made-to-order breakfast that can be served in the mansion's delightful sunroom or, for true indulgence, breakfast in bed can be requested.

One of the many true delights of the mansion is the extensive spa menu that is available. The Buhl Mansion's full-service spa offers the epitome of indulgence as guests sip champagne, listen to the relaxing sounds of water fountains and soft music and choose from nearly 100 pampering massage, body treatment, facial, nail, and beauty services. The Spa is open to the public seven days a week by appointment. All spa and overnight guests enjoy complimentary use of the sauna, steam room and monsoon showers.

With the royal service and magnificent surroundings, once houseguests arrive, many of them never leave the Mansion. Snuggling in front of one of the mansion's 15 fireplaces seem to be favorite pastimes of many. However, with the Buhl Mansion's location in Mercer County, Pennsylvania, it is the perfect place for anyone whose getaways needs may include more activity.

With Mercer County's recent designation as one of Golf Digest's top 10 golf destinations, golfing at the area's 20-plus golf courses and Buhl Mansion's private country club packages have become quite popular. World-class shopping is another major draw to the area. Daffin's Candy, The Winner Department Store and Reyer's Shoe Store (all touted as the "world's largest" of their

kind) are all within a short walk of the mansion in beautiful downtown Sharon. Prime Outlets (the country's fifth largest) is only 20 miles away in Grove City and some of Pennsylvania's most scenic back roads lay between the two charming towns.

Some of the best dining in the region awaits Buhl Mansion guests at its sister property, Tara - A Country Inn. Located six miles away, Tara offers Buhl guests a 25% discount for dinner in either of their restaurants, Ashley's Gourmet Dining Room or Stonewalls Tavern.
